

SUPPORTING YOUR LEARNING JOURNEY

COMPANY PROFILE

learning is how you will change your world

The way in which we learn today has shifted.

We not only learn in instructor-led classrooms, we learn all the time. Bite-sized nuggets of information. A short instructional video on Youtube. A podcast you listen to on your morning drive. A whitepaper you've downloaded during your lunch break.

helping you learn.
helping you develop.
helping you thrive.

[EXPERTISE]

l e a r n i n g + m e d i a

Choose from a growing list of subjects relevant to two audiences that we cater to – ie Human Resources and Technology professionals. The courses are largely available as on-site instructor-led ones but a select few are conducted online. The instructor-led classes are held in multiple cities across the Middle East, Asia Pacific and Africa.

So pick a date and location that suits you. And if you don't find something you need, feel free to reach out to us with your particular training requirements. With an extensive and global faculty network, we will help you find the resources you need, according to your budget and timeframe.

CERTIFICATION

Supporting Technology and Human Resources professionals with a range of courses.

TEST PREPARATION

Helping you with course materials, reference books and practice exams so you can take that test.

EXPERT MATERIALS

World -class experts who combine both professional expertise and industry experience to lead your learning efforts.
